

Contents

			Page
Chapter	1	: Objective of the Study.	1
Chapter	II	: Present Position of the Rubber Products Manufacturing Industry in Sri Lanka.	3
Chapter	III	: Facilities for the Development of Rubber Products Manufacturing Industry.	6
Chapter	IV	: Views of Major Rubber Products Manufacturers and Exporters Association of Sri Lanka.	9
Chapter	V	: The Market Study Findings.	11
		(a) Technological Capabilities of the Rubber Products Manufacturing Industry.	
		(b) Sectoral Analysis.	
Chapter	VI	: Potential for Expansion of Rubber Products Manufacturing Industry.	14
Chapter	VII	: Constraints Review of Technological Aspects of Viable Products.	21
Chapter	VIII	: Import of Rubber Products into Sri Lanka.	44
Chapter	IX	: Recommendations.	46
Chapter	X	: Sri Lanka's Industrialization Strategy and the Rubber Based Products Industry.	52
Chapter	XI	: Marketing Rubber Products of Europe to Europe Key Issues and Potential Products for Western Europe.	53
Chapter	XII	: Rubber Based Industry - Malaysian Experience.	57
Chapter	XIII	: Potential for Rubber Manufactured Products in Selected Countries.	61

Appendices

			Page
Appendix	I	: The Malaysian Rubber Exchange and Licensing Board	75
Appendix	II	: Market Profile - Finland	86
Appendix	III	: The Australian Market for Rubber Products	97
Appendix	IV	: The UK Market for Rubber Conveyor Belting	106
Appendix	V	: New Machinery Suppliers	117
Appendix	VI	: Natural Rubber Production (1983-1993) in Sri Lanka	127
Appendix	VII	: Export Performance of Selected Rubber Products 1983-1992	128
Appendix	VIII	: Disagrigated Export Performance of Selected Rubber Products	129
Appendix	IX	: Rubber Products Exports from Sri Lanka	130
Appendix	X	: Rubber Products Imports into Sri Lanka	135
Appendix	XI	: Rubber Manufacturing Units in Sri Lanka	138
Appendix	XII	: Rubber Manufacturing Companies Interviewed	141
Appendix	XIII	: Potential for Rubber Products in Overseas Markets	144
Appendix	XIV	: Analysis of Survey Findings	163
Appendix	XV	: Rubber Glove Imports	166
Appendix	XVI	: List of Potential Importers	171
