

# THE EXHIBITORS' CATALOGUE

**Industry 2023** the largest industry exhibition in Sri Lanka Will see the convergence of a large number of exhibitors' from both domestic and international markets. The exhibition will create greater awareness among the public on the products, services, technologies and stakeholders of various industrial products and services while providing a platform for thousands of the public and entrepreneurs a unique and worthwhile technological experience. The exhibition will also give an opportunity to industries to sale their products and get an idea about the competitive market.

The exhibition catalogue of **Industry 2023** will include profile of participating companies. The catalogue will also cover aboard spectrum of the products and services on display at the exhibition.

The catalogue will be distributed to all exhibitors, a wide range of business visitor, high level Government officials, Foreign Delegates, Chambers of commerce, Trade Associations etc. The Exhibitors' catalogue will therefore serve the purpose of a valuable "Buyer's Guide". The catalogue is in a great demand not only during exhibition period but also throughout the year for business-purposes.
